

# LAKESIDE BOATING & CAMPING ASSOCIATION

## PERMIT REQUEST FOR ALTERATION OF LANDSCAPE OR CONSTRUCTION PROJECT ON LEASED LOT AREA

DIRECTIONS: Please fill out the questions below providing as much information as possible. Remember, large structures are not to be of a permanent nature unless they include repair or replacement to existing permanent structures. (See note comments below concerning code requirements on structures & water wells.

NAME: \_\_\_\_\_

DATE: \_\_\_\_\_  
(mm / dd / year)

LOT NUMBER: \_\_\_\_\_

DESCRIPTION OF ALTERATION OR CONSTRUCTION: (Include specifics such as location on the lot area, size of the project, materials to be used, reason or purpose for alteration, and any other information that might help the Lakeside Association Officers in the decision making process.

(Use back of sheet or add additional sheets as necessary)

Please note that the items below must be approved by the Lakeside B&C Board prior to placement.

1. The maximum size of a floating dock is 10 feet by 12 feet and in close proximity of the shore.
2. An appropriately sized deck next to a trailer entrance will be allowed.
3. **All storage or residence buildings of any size must be build by a licensed manufacturer that specializes in production of this type of building. Any other buildings constructed off site by private individuals need approval before being brought on to the Lakeside property. With rare exception, no buildings will be constructed on the Lakeside site.**
4. One storage building up to 10 x 12 feet (neat in appearance – on skids / non-permanent) is allowed per lot.
5. \*\* A building larger than 10 x 12 feet will be allowed on a lot in place of an RV camper.
6. \*\* A building / carport larger than 10 x 12 feet may be added as a storage structure on a lot.
7. In all cases, Board approval will be required and the following will be considered: The size of the lot, planned location of the project on the lot, aesthetic value, and input from neighbors where appropriate.
8. If tax issues arise, the lot tenant will be held responsible for any taxation assessment that is incurred.
9. A building / shed can not be placed on a full concrete pad or anchored in such a way so as to be considered permanent. All buildings that are of a permanent nature will remain when the tenant leaves and will become the property of Lakeside LLC.
10. New water wells of any kind constructed into the ground water table can not be drilled on the Lakeside premises by any member or by a professional, licensed driller. (No new water wells)

**\*\* Buildings / Structures larger than 10 x 12 feet will be reported to the County Appraisers Office and the member will be held responsible for the property taxes on that item.**
