For your information, once your name comes up for a boating membership, the following requirements will be necessary should you opt to become a boating member.

1. The cost of the membership is an additional \$100 per year\*.
2. You must be the owner of the boat. (Name must appear on title)
3. The boat must carry the following required insurance\*\*:
  1. \$100,000 liability coverage
  2. \$5,000 medical coverage per person
4. It is very important that you read and understand all of the boating rules and regulations to insure the safe operation of your boat on the lake.

\* If you refuse the opportunity to join the boating membership for the second time, you will be removed from the list and will have to apply again.

\*\* A copy of the declaration page of your insurance policy indicating the above information and including the effective dates of the policy must be recorded with Association Secretary before you can put the boat on the lake.
